Volunteers Needed to keep the Home Ec Building Open during Fair -

We have tentatively scheduled the Home Ec Building to be open from 9 a.m. to 5 p.m. each day of the fair beginning on Tuesday, July 12th and going through Sunday, July 17th till noon. We need your help to keep it open. Visitors to the fair will not be able to enjoy all the projects

exhibited if we have to lock the building up. Please consider helping for any amount of time you can spare. Time slots are usually marked in 1 hour increments. Thanks for your help!

If you would like to ride in the Ford F150 Truck Raffle truck in the parade on Saturday July 16th, for the Rodeo Parade, then come to the fair grounds at 8:30 am that day. It's always fun to be in the parade and show off your 4-H spirit!

County fair is almost here! I know you are all busy with your projects. Don't forget to fill out those record books! If you need help, your club leaders are there for you or you can come into the Extension office and we can help you.

Please support your fellow 4-Hers by coming to the week long events at the County Fair! The schedule is listed in the Fair Book that's posted on the website. Check out all the events - you may discover a new one!

Bring your rakes, mowers, weed eaters, shovels, fuel etc. to get the fairgrounds in shape for the fair. Again, YOU are REQUIRED to be there to help!!

The Shooting Sports .22 and shotgun competitions will follow the clean up on Saturday, July 9th from 2-5 p.m. at Cactus Flats shooting range in the Florence area.

The Extension Office will move out to the fairgrounds before July 11th. We will not have the Office open at the courthouse during the week of fair. For any help, information, etc. come out to the fairgrounds.

Very Important Message from the Fair Board regarding policy:

Custer County 4-H and FFA Custer County Fair Livestock Participants.

The Fair Board is implementing a new rule on the clean-up day and the clean-up of the livestock stalls after the fair.

The Fairgrounds clean-up day is always the 1st Saturday of fair week. You are *required* to participate in the clean-up of YOUR fairgrounds. If you can't make that date, you **MUST** contact the Extension Office **BEFORE** the clean-up day. You will be assigned clean-up duties during the fair. This includes ALL 4-H and FFA members who participate in the Custer County Fair. The stall assignments will be posted, but you may not start preparing your stalls until AFTER the regular clean-up of the fairgrounds is finished. If you do not comply with this rule, you will be docked 20% of your livestock sale check. NO EXCEPTIONS!!

Extra animals will vacate the fairgrounds by the sale on the last Sunday of the fair. When all sale animals are removed, you are responsible for cleaning up your stalls. This includes taking out all of the shavings down to dirt. You are responsible for taking all of your equipment out of your stall. All stalls will be cleaned no later than the Tuesday after the sale at 8am. If you do not comply with this rule, you will be docked 20% of your livestock sale check. NO EXCEPTIONS!!

Market Livestock Exhibitors – have you written your buyers' letters yet? If you haven't, then there is still time to do that. This is definitely a nice way to say "hope to see you at the fair and sale and thanks for your support".
