GOLF COURSE PRESENTATION

Jerry Pickerill met with the board to discuss the possibility of the County purchasing the golf course. The golf course was foreclosed on and is now for sale. The realtor has several offers, and only one of those interested parties wish to keep it as a golf course. Jerry and several citizens would like to see it stay a golf course and feel it is good for the community. The BOCC stated that they have other needs that the county is working on right now and they don't feel that the County needs to take on anything more. They suggested that Jerry find another organization that would be willing to purchase it, and to research some grants that would help.

The board recessed at 11:24 a.m. and reconvened at 11:34 a.m.
