**ROAD AND BRIDGE REPORT**

Road and Bridge Supervisor, Gary Hyde, met with the board to give the monthly report for August. Michael and Donna Sweere were also in attendance. They own a home on County

Road 140. Michael and Donna stated to the BOCC that the road is in poor shape and there is a lot of dust that comes from the road because of the number of vehicles that use the road daily. They would like for the county to either put something on the road that would suppress the dust, or to pave the road. Gary informed the Sweeres' that he has had a traffic counter on that road and that there are other roads in the county that have a higher traffic volume. He stated that, for the amount of traffic that the road gets, it would not be cost effective to put mag chloride on it or to pave it. He also stated that he was just on that road and it is not in bad condition. The Sweeres' stated that because of the campground on the road, the county should receive money from the federal government to help maintain the road. They asked the BOCC how much federal money they receive. Commissioner Canda stated that he would find out and let them know.

The board recessed at 9:56 a.m. and reconvened at 10:03 a.m.

She also wanted the boards opinion on keeping the Weigh and Win program. She stated the program costs \$3,000 per year and only has eight consistent participants. The board agreed with Elisa that because of the lack of interest in the program, it should be cancelled, and there are other programs she could use that money for.

##### ECONOMIC STRATEGIC PLAN CONTRACT FOR SERVICES

The Strategic Planning Consulting Services Agreement between SBrand Consulting, LLC and Custer County is for SBrand Consulting to conduct interviews with stakeholders and do a community survey for economic development.

**MOTION by Commissioner Printz, to approve the contract between SBrand Consulting, LLC and Custer County, retroactive to August 24<sup>th</sup>.**

Commissioner Canda felt that there needed to be more detailed information in the contract concerning the interviews and the survey. He felt that they were not involving a wide enough range of people from the community, and that there are a lot of different groups of people that

make up our community. He stated he would contact Sheryl Trent, owner of SBrand Consulting, LLC, and see about changing the contract.

**MOTION by Commissioner Printz, to withdraw his former motion, and to postpone the approval of the contract until the September 5<sup>th</sup> BOCC meeting. Motion carried unanimously.**
