 - E911 - LE/Dispatch
 - In the process to create a panel to interview a dispatch supervisor; Sheriff will make the final decision

- Vernon has been working with dispatch.
 - Everything is on a 3 to 5 year replacement timeline
 - Everything is on a battery back up now
- WMFPD –Shy
 - Preparing for the AOP
 - Basil attended NFPA Assessing Structure Ignition Potential from wildland fire training in November, in KS
 - Cistern installed at Verde Creek on the west end of Hermit
 - WMFPD established a second location for dispatch
 - Found 6 brand new 1500s
- WMVFPD – Clifton
 - Incident Response
 - There was a problem with people responding on a recent incident who didn't tell dispatch they were responding; there was a lot of confusion
 - Follow up on the FFRS testing in Wetmore needed
 - Follow up in January?
 - Is FFRS the right tool for all agencies?
 - Definite need for radios!
- EMS –Archuleta
 - All 7 EMT students passed the class and the skills portion of the NREMT
 - After the 1st of the year interviews will start for the new EMT class
 - Currently have 13 on staff—only 4 that live out of county
 - 3 Paramedics and 1 intermediate on staff
 - Money in the budget for the 7 new radios
- Hospital District – Drew
 - Lisa, Beth, Shannon, Dr. Webber, Kaire had a meeting on the EMD (emergency medical dispatch)
 - Used across the country
 - Roll out in mid-February
 - It gives the dispatcher the tools they need to best serve the patient and the reporting party
 - Several of us attend the South Health Care Collation
 - <https://www.colorado.gov/pacific/cdphe/health-care-coalitions>
